

Box Clever Engineering

Environmental Policy

Box Clever Engineering Limited is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
- Box Clever Engineering Ltd intends to obtain certification to the international standard ISO 14001 or registration under EMAS.
